### Legend:

**DOC** Duty of Care training e.g. [EWP Operator Licence Yellow Card](#)

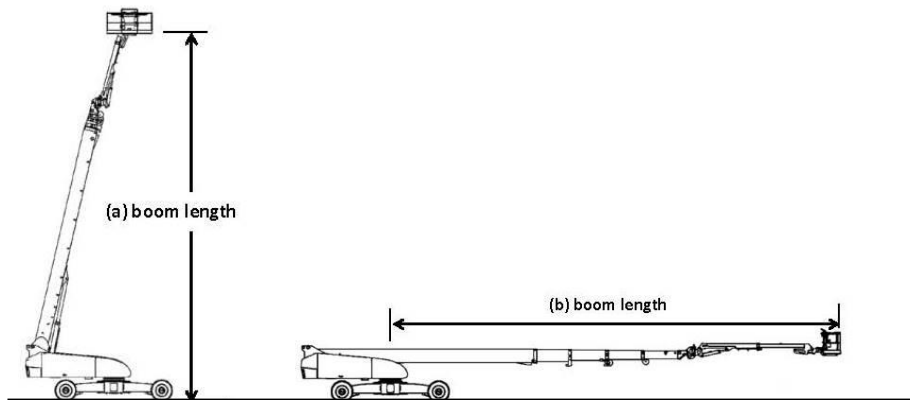

**WP** High Risk Work Licence: Boom-Type Elevating Work Platform (WP). It is recommended that you contact your State or Territory Regulatory Authority as licensing procedures may differ slightly in each State or Territory.

**WHS** Work Health and Safety Act

**OH&S** Occupational Health and Safety Act

### Notes:

- 1) Note: a vertical lift with a jib (i.e. a hinged, luffing member) is classed as a boom type EWP.
- 2) The boom length of an elevating work platform is the greater of:
  - a) The vertical distance from the floor of the platform to the support surface at its maximum height; or
  - b) The nominal reach, measured horizontally, from the centre point of rotation to the outer edge of the platform in its most extended position.
